## Tile Order Form

**Create A Legacy** -- The Carmel Valley Historical Society invites you to join its Tile Legacy Program in support of its mission to “preserve and promote the unique history and heritage of Carmel Valley for current and future generations.” Your tax-deductible tile will create a memorable legacy for friends, family, business associates, or neighborhood to enjoy when visiting the History Center. It will also help ensure the Center’s continuation as an educational and research facility engaged in preserving and exhibiting the unique artifacts and memorabilia of Carmel Valley.

**Engraving Information** -- Our tiles are engraved using state of the art laser technology. Check the size tile you wish to purchase and print one letter per box legibly in the boxes below using either upper- or lower-case.
