

**Create A Legacy** -- The Society invites you to join its *Tile Legacy Program* in support of its mission to “preserve and promote the unique history and heritage of Carmel Valley for current and future generations.” Your tax-deductible tile will create a memorable legacy for friends, family, business associates, or neighborhood to enjoy when visiting the History Center.

**Engraving Information** -- Our tiles are engraved using state of the art laser technology. Check the size tile you wish to purchase and print one letter per box legibly in the boxes below using either upper- or lower-case. Each line has a maximum of 23 characters including spaces and punctuation, and is centered on the tile. Check carefully that all words are spelled correctly. Use one form per tile and send check or money order to: Carmel Valley Historical Society, P.O. Box 1612, Carmel Valley, CA 93924-1612

Tiles are ordered in batches, so it may be several months before tiles are installed. Your understanding is appreciated.
